ENTRIES -

All mediums including paintings, photography, pottery, jewelry, sculpture, fiber art, wood crafts, and other fine crafts are acceptable. If you have questions about the acceptability of your work, contact the Executive Director. The Executive Director has the final decision over non-traditional artwork into the jury process.

All works must be original, made by the artist, and executed within the last 5 years. It is highly recommended that you submit new artwork that has not been seen by our patrons with the goal to provide the best representation of your work. To submit art for the Silent Auction, please review the guidelines below.
